Date: October 14, 2010

Location: St. Paul Police Department Headquarters
                 4th Floor Classroom
                 367 Grove Street
                 St. Paul, MN 55101

Time: 0800-1600

Instructor: Sergeant Bill Haider, SPPD

Post: 7 Credits

Cost: $150.00

Today's technology and the prevalence of computers have caused a rise in criminal offenses committed via the Internet. Modern police investigators require specialized training to trace offenders, gather investigative information and preserve digital evidence needed for prosecution.

Course Topics : Tracing Internet Service Provider screen names, email addresses and Internet Protocol (IP) addresses, Electronic evidence administrative subpoenas and search warrants, Social Networking Websites (My Space.com), Seizing computer and electronic evidence(to include cell phones and PDA'S).

Attendees will also be supplied with and trained in the use of Knoppix Software commonly used by law enforcement to preview computers for digital evidence.

Equipment: Attendees must bring a personal or business laptop computer.

To register, go to the website: http://www.ci.stpaul.mn.us/forms.asp?fid=41 and fill out registration form. If you have any questions, please call the Saint Paul Police Department Training Unit at (651) 266-5555 or email: pdi@ci.stpaul.mn.us
